

## PBD-III 2017 Exhibitor Information and Registration

**Join us in Vancouver July 16 - 19, 2017!**

The **3rd International Conference on Performance-based Design in Earthquake Geotechnical Engineering (PBD-III)** is a specialty ISSMGE Earthquake Geotechnical Engineering Conference. Past PBD events have been excellent companions to the International Conference on Earthquake Geotechnical Engineering (ICEGE) series that TC203 has held in Japan (1995), Portugal (1999), USA (2004), Greece (2007), Chile (2011), and New Zealand (2015). We expect to attract the foremost experts and practitioners in the earthquake geotechnical engineering field to **PBD-III 2017 Vancouver**. As an exhibitor, you will be networking with others at the forefront in the international community of earthquake related industry and research.

The theme of PBD-III 2017 encompasses all aspects of performance based design in earthquake geotechnical engineering. The conference will be diverse, covering a broad range of civil infrastructure problems, and will include case histories and practice oriented papers, recent research findings, innovative technologies, and the emerging arts.

Consistently rated one of the top cities in North America, Vancouver combines the best of natural beauty, multicultural charm, and modern chic. Dynamic and diverse, Vancouver boasts world-class restaurants and shopping alongside esteemed art galleries and museums all set against a backdrop of coastal mountains and sprawling beaches. As the proud host of the 2010 Olympic Winter Games, Vancouver looks to continue welcoming the world with its world-class attractions and amenities!

The **trade show** will open at 5:30 p.m. on Sunday July 16 with the Ice Breaker Reception, and continue through to the afternoon coffee break on Tuesday, July 18.
